SUPERSTRETCH NEOPRENE

We use a combination of Espan Extend and Superstretch neoprene, with 100% stretch for unrivalled performance, and Superlite neoprene, creating a lighter suit and ensuring greater freedom of movement.

SUPERLITE NEOPRENE

We use a combination of Espan Extend and Superstretch neoprene, with 100% stretch for unrivalled performance, and Superlite neoprene, creating a lighter suit and ensuring greater freedom of movement.

OVERLOCKING COLLAR

Our double overlocking collar is the surest way to prevent cold flushes. Fully adjustable for comfort.

PROTECTIVE PRINTING

Protective Printing reinforces the exterior of the neoprene to create a highly durable surface.

FLATLOCKED SEAMS

Flatlocked stitching creates an extremely tough yet flexible seam.

DURATECH KNEES

Used in high wear areas, this is the most durable neoprene available, with excellent stretch
